EXPLORERS (AGES 5-6)

Explorers are our BASE campers that learn how to develop relationships and strengthen character while interacting with the natural world around them. Explorers experience all that camp has to offer in an age-appropriate manner.

CHALLENGERS (AGES 7-9)

Challengers are our ADVENTURE campers who, after learning all that camp has to offer, are ready to refine their skills in specific areas that interest them the most. Challengers will have many options through our diverse specialty camps and are ready for the next level!

TREKKERS (AGES 10-12)

Trekkers are our SUMMIT campers that are ready to spread their wings and experience camp with more freedom. Mornings will include traditional camp activities, and afternoons include a variety of programs from which to choose.

LEADERSHIP (AGES 13-17)

Camp LEADERS will engage in outdoor education programs designed to develop leadership skills in young men and women through challenging outdoor activities. LEADERS will also participate in meaningful and intentional service-learning and volunteerism that encourages community involvement. Camp leadership programs include C.I.T. and C.I.L.T.

YMCA CAMP TAKATOKA

Camp Takatoka is the overnight camp of the YMCA of Greater Tulsa, conveniently located just 45 minutes from Tulsa on Fort Gibson Lake. Campers experience 410 acres of beautiful land with diverse geography including lakefront, grass plains, rolling hills and forest.
