### Camper Individual Care Plan

Thank you for choosing YMCA of Greater Tulsa camps as a place for your child to grow, develop, and succeed. We want your camper(s) to have the best camp experience ever! To help us get to know our campers better, we ask for parents to fill out this form if there are any concerns or situations that you feel we need to know. The more detailed information and helpful “tips” you are able to give us, the better prepared we are to work with your child. Please submit this form to the Day Camp director where your child will be attending camp. Please note: this information will be kept confidential. Only the camp director, appropriate lead staff & counselor(s) will be able to access the information below.

Camper Name:

Camp Attending:                      Westside                      Daily                      Owasso                      TAK

Parent Name, email, phone number(s):

Behavioral Concerns/Triggers/Helpful Tips:
