# HAVE FUN STAY ACTIVE PLAY PICKLEBALL

## FREE PICKLEBALL AT THE DAILY FAMILY YMCA

### About the Game:

Pickleball is played on a badminton court using a perforated plastic ball. The game is easy for beginners to learn but can develop into a quick, fast-paced game for experienced players.

### The Court:

A pickleball court is the same size as a doubles badminton court and measures 20x44 feet. In pickleball, the same court is used for both singles and doubles play. The net height is 36 inches at the sidelines and 34 inches in the middle.

### The Equipment:

When playing pickleball, each player uses a pickleball paddle, which is smaller than a tennis racquet but larger than a ping-pong paddle. The pickleball itself is unique, with holes through it like a wiffleball and travels at 1/3 the speed of a tennis ball.

\* All equipment is provided and beginners are welcome! Sessions will be an open come-and-go opportunity to improve agility and hand-eye coordination.
