

Dear Go Club Parent,

We are so excited to have your child enrolled in our Go Club program this year!! Go Club's focus is on helping to increase your child's academic success and develop their social and emotional skills in a way that supports a child's overall youth development. During their time at Go Club, students will be provided a well-balanced snack, be given the opportunity to work with the tutor on staff for any homework or academic needs they may have, participate in movement and sports activities as well as center based learning.

GO Club Before Care begins at 7:00am till school begins, and After Care begins at the end of the school day till 6:00pm. We do offer care on the days that schools is scheduled to be out (watch for fliers), care will not be offered on days school is cancelled for inclement weather. If you have not received a GO Club parent handbook, you will receive one on the first day and that will answer lots of questions you may have.

Payments are due on the 5th day of each month and can be paid by auto-draft, online, via telephone or in person at the YMCA. I have attached a payment agreement that can be filled out and given to the Site Coordinator on the first day of GO Club, if you did not make payment arrangements upon enrollment.

Also attached is the drop off and pick up instructions for your site, along with a map to help you navigate. Go Club staff will be present during Meet the Teacher tomorrow, so please feel free to stop by and meet us.

We are looking forward to a fun filled year with you and your child!! See you soon!

Nicole Gordon
